PRIVACY POLICY FOR OUR WEBSITE

Dear Website visitor, at Elemaster S.p.A. your privacy is a top priority. Any data you provide to us through the website will be processed with due care and attention. We use tools designed to ensure the security of your data, in full compliance with current laws to protect the confidentiality of data. We wish to inform you that "*Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data*" (hereinafter the "GDPR") provides for the protection of natural persons with regard to the processing of personal data as a fundamental right. Pursuant to article 13 of the GDPR, we wish to inform you that:

	<p>CATEGORIES OF DATA: the subject matter of the processing comprises your personal data, including:</p> <p>a. Automated collection of data. The computer systems and software used for running this website collect, as part of normal operations, some personal data from users (whose transmission is implicit in the use of Internet communication protocols). The data collected includes the IP addresses and/or the domain names of the computers used by users connecting to the website, the URI (Uniform Resource Identifier) addresses of the requested resources, the method used for submitting a given request to the server, the size of the file received in response, the numeric status code issued by the server in response to the request (successful, error, etc.), and other parameters related to the user's operating system, browser and computer environment, name of the internet service provider (ISP), the date and time of visit, the referral website and when you leave the site.</p> <p>b. Data provided voluntarily by the user. The voluntary and explicit sending of e-mails to the addresses indicated in the different entry points on this website does not entail a request for consent and permits the acquisition of the sender's email address, required to respond to requests, as well as any other personal data included in the communication. These data are understood as being voluntarily provided by the user when requesting for the service. By adding a comment or other information, the user expressly accepts the privacy policy and in particular gives consent to the unrestricted disclosure, even to third parties, of the contents submitted. Otherwise, specific summary privacy policies will be provided or will appear on the webpage for specific on-request services (form). Therefore, the user will explicitly agree to the use of the data contained in the forms in order to submit the request.</p> <p>c. Cookies. This website uses cookies. The data collected through cookies may be used to access sections of the website, for statistical purposes or to make your browsing experience more enjoyable and more efficient in the future, to try to understand the behaviour of users and to adapt the content offered based on their behaviour. More information is available in our cookie policy.</p> <p>d. Plug-ins. This website does/does not use social media plug-ins and/or buttons, to make it easier to share content on your favorite social network. These plug-ins are programmed so as not to set any cookies when accessing the page, in order to safeguard the privacy of users. Cookies may be set, as provided by social networks, only if you make voluntary use of the plug-in. Please note that if you browse while being logged into the social network then you have already consented to the use of cookies conveyed through this website at the time that you registered with the social network. The collection and use of information obtained by means of the plug-in are governed by the respective privacy policies of the social networks. Please see the respective policies for further details.</p>
	<p>B. DATA CONTROLLER: the data controller is ELEMASTER SPA Tecnologie Elettroniche, VIA Garcia Lorca, 29 – 23871 LOMAGNA (LC), VAT 01946180138 and can be contacted by phone at 039999121 or through the privacy form available in the contact page on the website www.elemaster.com</p>
	<p>C. SOURCE OF PERSONAL DATA The data controller collects personal data directly from the data subject.</p>
	<p>D. PURPOSE OF DATA PROCESSING AND LEGAL BASIS FOR PROCESSING: The purpose of data processing and the legal basis for processing personal data is as follows:</p> <ol style="list-style-type: none"> 1. <u>For automatically collected data</u>, the legal basis is the legitimate interest of the Data Controller and the purpose is to ensure and enhance the web browsing experience. 2. <u>For data provided voluntarily by the user</u>, the legal basis is consent and, for sending emails to our addresses, the purpose is so we can respond to the specific requests submitted by the user; as regards forms, the purpose is stated in the specific privacy policy. 3. <u>For cookies and plug-ins:</u> see the specific privacy policy.
	<p>E. RECIPIENTS OF PERSONAL DATA: relevant and limited to the purposes for which they are processed, your data may be communicated to partners, consulting firms, private business, technical service providers, hosting providers, IT companies, communication agencies, etc.</p>

PRIVACY POLICY FOR OUR WEBSITE

	<p>F. TRANSFER OF DATA TO THIRD COUNTRIES: This website may share some of the data collected with service providers located outside the European Union. In particular this happens through social media plug-ins and the Google Analytics service. The transfer is authorised and strictly regulated by article 45 [1] of Regulation (EU) 2016/679, for which no specific authorisations are required.</p>
	<p>G. RETENTION PERIOD: based on the storage limitation principle (art.5, GDPR), checks are performed on a regular basis to determine whether the data stored for the purposes for which they were collected are outdated. In particular: The data collected automatically are processed for the time strictly necessary to obtain statistical data regarding use of the website and to check its proper operation, also in terms of security or in accordance with the time limits established by law. The data voluntarily provided by the user will be stored for a period not exceeding the time required to pursue the purposes for which they are processed or in accordance with the time limits established by law.</p>
	<p>H. RIGHTS OF THE DATA SUBJECT: the data subject always has the right to request from the controller access to and rectification or erasure of personal data or restriction of processing concerning the data subject or to object to processing as well as the right to data portability, and the right to withdraw consent to processing. To exercise these rights and the other rights laid down in the GDPR, simply contact the Data Controller. The data subject may also file a complaint to any Supervisory Authority.</p>
	<p>I. MANDATORY OR OPTIONAL CONSENT: the provision of your data is mandatory while browsing our website with respect to points D.1 and D.2 of the aforementioned purposes, to allow the correct provision of the service. With respect to point D.3, your consent to the processing of your data is optional and will in no way affect the provision of the service.</p>
	<p>J. DATA PROCESSING METHODS: The personal data you provide will be processed in full compliance with the aforementioned regulations and the duties of confidentiality underpinning the Data Controller's activities. The data will be processed using IT tools, on paper or on any other suitable media (e.g. cloud-based systems, electronic filing and storage systems, etc) in compliance with the appropriate technical, organizational and measures to ensure the security of personal data laid down in the GDPR.</p>
	<p>K. FINAL NOTES AND UPDATE METHODS: This privacy policy only applies to this website and does not apply to any other websites that the user visits via links on this website. The privacy policy is subject to change due to the introduction of new regulations. Users are therefore invited to periodically check this page to keep track of the latest changes in legislation. The previous versions of this privacy policy are always available on request from the Data Controller.</p>
