Syrma SGS and Elemaster Form JV for Electronics Manufacturing in Bengaluru

Syrma SGS Technology Limited has entered into a strategic joint venture with Italy-based Elemaster S.p.A Tecnologie Elettroniche to establish a dedicated platform for high-reliability electronics manufacturing in India. The venture, named Syrma SGS Elemaster Private Limited, will be based at Bommasandra Industrial Area in Bengaluru, with an initial facility of about 20,000 square feet.

The facility will be equipped for surface mount technology (SMT), through-hole technology (THT), and box-build assembly lines. The joint venture will focus on customers in the railway, industrial, and medical electronics sectors.
