Syrma SGS Technology Limited (Syrma SGS), a leading Indian electronics systems design and manufacturing company, today announced the signing of a Joint Venture Agreement (JVA) with Elemaster S.p.A Tecnologie Elettroniche (Elemaster), a global electronics design and manufacturing leader headquartered in Italy.

"By combining Syrma's world-class execution with Elemaster's deep relationships with European OEMs, we are unlocking new growth vectors in rail, industrial, and medical segments." [andeep Tandon](#), Chairman, [Syrma SGS Technology Limited](#)

"Our collaboration with Elemaster is built on complementary strengths. The JV structure ensures dedicated focus on high-reliability customers, efficient cost structures, and scalable operations." [Satendra Singh](#), CEO, [Syrma SGS Technology Limited](#)

"India is a strategic market for our customers, and this joint venture with Syrma SGS gives us a reliable, competitive, and scalable base in the region." [Valentina Cogliati](#), CEO, [Elemaster Group Electronic Technologies](#)

Thank you SMEChannels for spotlighting this new milestone. The joint venture between Syrma SGS Technology Limited and Elemaster lays the foundation for a dedicated platform in India focused on high-reliability electronics, combining global design expertise and local execution strength to serve critical sectors such as railway, industrial, and medical.
