

Syrma SGS Technology & Elemaster announce strategic joint venture

short by / 01:01 pm on Thursday 4 September, 2025

Syrma SGS Technology has formed joint venture with Italy's Elemaster SpA. The new entity, Syrma SGS Elemaster, will provide high-reliability electronics manufacturing services for India's railway, industrial and medical sectors. The partnership combines Syrma's manufacturing scale with Elemaster's design expertise, boosting presence in critical markets and aligning with Make in India initiative.

Italian fashion designer Giorgio Armani passes away at 91

short by Medhaa Gupta / 03:53 pm on Thursday 4 September, 2025

Italian fashion designer Giorgio Armani has passed away at the age of 91, the fashion house confirmed. "Il Signor Armani...passed away peacefully, surrounded by his loved ones," the company said in a statement. Also known as "Re Giorgio" (King Giorgio), he had missed one of his group's shows for the first time in June due to an undisclosed illness.
