In summer 2025, I had the chance to complete my second internship abroad at [Elemaster Group Electronic Technologies](#) Italy, the group's headquarters near Milan. This experience allowed me to discover the fascinating world of electronic manufacturing and mechatronics, while further developing my understanding of industrial processes and quality standards.

I also had the pleasure of working alongside an amazing team, who welcomed me with kindness, patience, and professionalism. I am truly grateful for their support and for everything they taught me throughout these weeks. 🙌

A valuable step in my professional journey, full of learning opportunities and inspiring encounters! 🚀

Version en français :

À l'été 2025, j'ai eu la chance d'effectuer mon stage ouvrier à l'international au sein d'[Elemaster Group Electronic Technologies](#) Italie, siège du groupe près de Milan. Cette expérience m'a permis de découvrir l'univers passionnant de la fabrication électronique et de la mécatronique, tout en approfondissant ma compréhension des processus industriels et des standards qualité.

J'ai également eu le plaisir de collaborer avec une équipe exceptionnelle, qui m'a accueilli avec bienveillance, patience et professionnalisme. Je leur suis très reconnaissant pour leur accompagnement et pour tout ce qu'ils m'ont transmis durant ces semaines. 🙌

Une étape précieuse dans mon parcours professionnel, riche en apprentissages et en belles rencontres ! 🚀
