Syrma SGS Technology Limited Inaugurates New Bengaluru Manufacturing Facility

Syrma SGS Technology Limited and , leading players in [#electronicsmanufacturing](#) and design ecosystem respectively in India and Europe, through their joint venture Syрма SGS Elemaster Pvt Ltd inaugurated the new state-of-the-art high-reliability electronics [#manufacturingfacility](#) in Bengaluru, Karnataka.

The inauguration marks a significant [#milestone](#) in the [#jointventure](#)'s efforts to build advanced [#electronics](#) manufacturing capabilities in India and support customers across domestic and [#globalmarkets](#), particularly in sectors where quality, reliability, and stringent manufacturing standards are critical.

The launch was attended by Dr Giandomenico Milano, [Consulate General of Italy in Bengaluru](#), along with leadership teams from Syрма SGS and Elemaster, customers, and other key stakeholders. His presence at the inauguration underscored the growing importance of India-Italy industrial and [#technologycollaboration](#) and the strategic relevance of the [#partnership](#) between the two companies.

Located in the Bommasandra Industrial Area, the 20,000 sqft facility is equipped with advanced Surface Mount Technology ([#SMT](#)), Through-Hole Technology ([#THT](#)), and box-build assembly lines. The facility has been established to address the growing demand for high-reliability electronics across sectors including railways & transportation, [#industrialelectronics](#), energy, and medical electronics, while enabling the [#jointventure](#) to support global [#OEMs](#) with high-quality [#manufacturing](#) in India.
