Syrma SGS Elemaster, our joint venture with Italy-based Elemaster Group, has inaugurated a state-of-the-art high-reliability electronics manufacturing facility in Bengaluru.

Spanning 20,000 sq. ft., the facility integrates advanced SMT, THT and box-build capabilities to serve critical applications across railways and transportation, industrial electronics, energy and medical electronics.

We were honoured by the presence of **Dr. Giandomenico Milano**, [Consulate General of Italy in Bengaluru](#), at the inauguration.

The partnership combines Syрма SGS's manufacturing scale with [Elemaster Group Electronic Technologies](#)'s engineering expertise to serve customers across India and global markets.
