Syrma SGS Technology Limited ([SYRMA](#) -0.25% ▼) just unveiled an update.

Syrma SGS Technology Limited has announced that its joint venture entity previously known as Syrma SGS Design and Manufacturing Private Limited has been renamed Syrma SGS Elemaster Private Limited. The change follows the completion of share allotments to Syrma SGS and Elemaster under their joint venture agreement.

The Ministry of Corporate Affairs approved the new name, effective September 9, 2026, marking a formal alignment of the JV's identity with both partners. This step underscores the deepening partnership between Syrma SGS and Elemaster and signals a more integrated branding of their joint operations in the electronics manufacturing space.

More about Syrma SGS Technology Limited

Syrma SGS Technology Limited operates in the electronics design and manufacturing sector, focusing on providing advanced electronic solutions and contract manufacturing services. Through joint ventures and strategic partnerships, the company aims to strengthen its capabilities and expand its presence in both domestic and international markets.

The company's collaboration with Italian electronics firm Elemaster reflects a strategic move to enhance its technological depth and global reach in the electronics manufacturing value chain.
